🧠 SOFT SKILLS

Good Communication

Adaptability

Team Work

Problem Solving

Creativity

Critical Thinking

💼 PROFESSIONAL EXPERIENCE

Field Worker

Oct 2020 – Mar 2021 | Cape Town, South Africa

- I worked in a team of 4 doing rehabilitation and reintegration of homeless people into shelters and back into their communities and families while submitting weekly reports, and communicating with management.
- Using strong interpersonal skills such as active listening, empathy and holding a positive attitude, I was able to interview homeless people in Fish Hoek and Simon's Town area regarding their status and experience.
